

3 Course Green Fees for the Price of 1!

Fall 2021

Our 3 for 1 Green Fee Memberships continues to be a big hit and one of the best values in all of Wisconsin Golf. We hope you are enjoying the benefits this allows you throughout the year.

While the 2021 season was a banner year for golf, our special events, weddings and corporate events remain very low. Covid-19 was the main culprit and it appears that 2022 will be similar. We hope for improvement in these areas, but pre booking still remains low.

One result of Covid-19 was it created havoc with staffing. Not only for Camelot, but Hoffs as well. The service industry suffered as a whole and we definitely weren't an exception. This definitely takes a toll on all of us, including you.

Another issue was the inability to get goods and equipment. This was especially true in the food service industry. Another example is Camelot, Horicon Hills and West Bend Lakes ordered 66 carts last fall for March 1st delivery and didn't receive them until October of this year. Range balls were back ordered for 10 months, Pepsi ran out of water (among other products), Sysco and US Foods dropped accounts due to not having enough drivers. As a result of this, most of the time we didn't know we weren't going to get the product until the day of "delivery" and we had to quick search for product elsewhere.

The third issue was inflation. The cost of goods rose by a minimum of 5% on up to 40%. Food, fuel, chemicals, fertilizer went sky high and there is no expectation of these prices going down any time soon. One quick example of a simple item...golf pencils went from .07 cents each to .32 cents each! Let's not forget about being robbed in June and the catastrophic fire at West Bend Lakes in March to add to our 2021 journey.

On a more positive note, Pat Zurawski and his team: Wayne Flury, Pete Drexler, Mark Steger, Kerry & Steve Sheridan, Myles Geschke, John Marsden, Dale Brath, Laura Pierret, Mike Brown, Grant Manke, Zach Pust, Cullen Beisbier, Cole Neis, Dayne Zingsheim, Talan Luedtke and, of course, La-A pronounced LaDasha) and Sven -Pat's furry friends, brought Camelot up another level in 2021. Our greens have been terrific and the general condition of the course has been outstanding. Our 2021 grounds budget increased by over \$100,000. Some of the improvements were quite noticeable and others not so much. Here are a few of the highlights:

- ‡ Updated hardware and software to the irrigation system \$60,000
- ‡ Reworked bunkers and added new sand-\$15,000
- ‡ Tree removal and transplants \$3,000
- ‡ New range picker \$6,500
- ‡ 6 new carts to replace the stolen carts from last October \$35,000
- ‡ Improved drainage \$3,000
- ‡ New bunkers on hole 11 \$2,000
- ‡ Extra applications of fertilizers \$5,000

In addition to these improvements, we updated computers, phones and internet just to name a few.

Our 2021 Club Championship was another great day of golf. After 27 holes, Adam Haese won his first title of Club Champion. Adam played solid all day with scores of 34, 36 and 39 for an impressive 109. Casey King captured the 2021 NET Championship with a score of 102. We also had enough women sign up to create Ladies Champion as well. Our very own, Hailey Rusch, won her parking spot with a stellar 144 for 27 holes: 53, 44 and 47.

This season marked the 5th Annual Senior Club Championship. Tim Tadman came through to win the crown with a fantastic round of 73 for 18 holes. And a shout out to Les Hemauer, our Sr Low NET winner with a score of 69.

A special recognition to Hoff's Meats winning the 2021 State Grand Champion Bratwurst and Hotdog awards...Congratulations to such an honorary award!

We are personally thanking all of the members we have had over the years. We deeply appreciate your consideration in choosing Camelot for your 2022 membership.
