League Rules

- Winter rules all season long
- Pick and clean if mud on the ball
- Traps are in play
- Can move the ball 6" with your club, no nearer the hole for a better lie
- Any subs that do not have 3 posted scores in league will not be allowed to golf after the 15th week of the season.
- IMAGolfer has a list of subs available. Subs from other leagues can be used with their handicap from that league
- Everyone who does not have a handicap will establish handicap the first night they golf
- Out of bounds and water hazards are a one stroke penalty. Play ball closest to where it entered out of bounds/hazard or back along the flight of ball no nearer the hole.
- If you hit two balls into the same water hazard, you can play the next shot from the other side of the hazard
- Keep pace with the group ahead. Please don't waste too much time looking for lost golf balls.
- Anyone over the age of 60 will be allowed to tee-off from the Gold Tees
- Whatever set of tees you start the season with, you have to play that entire season from. Example if you turn 60 in July and have been playing the white tees thus far, you cannot move up to the gold tees after your birthday.
- There will be NO pre/post golfing unless both teams (all four players) can play together
- If we have an odd number of teams, the 2-some will play by themselves and then when returning their scorecard they will pick a card that will be the team they face for that week.

Handicap

- Handicaps are based on the best 5 of your last 8 rounds
